Welcome

Dear Friends,

It gives us a great honor, privilege and pleasure to extend a warm and cordial invitation to you for **Bleeding Disorder Consensus meeting (BDCM) 2024** to be held on **18th- 19th October, 2024** at **Platinum Grand Mamta, Srinagar, Kashmir (J&K)**.

The Meeting is being organized by GMC Srinagar under the aegis of **Hemophilia Society of Kashmir** and **Haemophilia & Health Collective of North**®.

Hemophilia Society of Kashmir is the pioneer society working for the wellbeing of hemophiliacs and bleeding disorders in the Kashmir region and putting hard efforts to create awareness in this community. Society runs different initiatives for making patients aware about overall management of Bleeding disorders (Hemophilia) for better outcomes & a good quality of Life.

GMC, Srinagar is a renowned leading patient care and research institute of Kashmir. It has an illustrious reputation for providing excellent clinical services as well as postgraduate training in many fields.

It will be our endeavor to have a scientific program, which is relevant to the emerging needs of treating physicians in the field of Hemophilia and bleeding disorders. Our aim is to give impetus to transformational research, learning from eminent National and Regional faculties and from the Centers of excellence in India. **BDCM 2024** will focus on different strategies in the management of hemophilia based on health economics and treatment outcomes, importance of holistic approach in hemophilia and other emerging trends. Experts from Clinical Hematology, Pediatric Hematology, Pediatric surgery, Medicine, Pathology, Immuno-Hematology & Blood Transfusion Medicine, Orthopedics, Surgery, Dentistry, and Physiotherapy will participate in this consensus meeting. Our aim is to reach at a consensus for the treatment of different archetypes of Hemophilia A, Hemophilia B and other bleeding disorders by end of **BDCM 2024**.

It promises to be an outstanding scientific event combined with an extremely rich cultural experience of Srinagar- 'the city beautiful'.

We trust that **BDCM 2024** will help in fostering the new ideas, adopting the best practices and accelerating our learning curve.

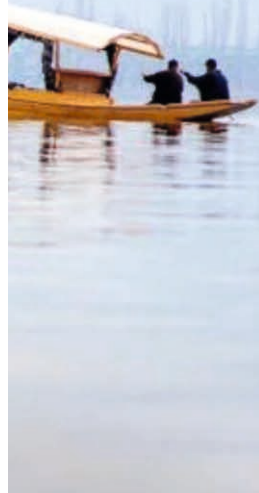

Really excited to see you and welcome you in October 2024!
